

# Revelry a picture of creative soul

**Bec Smallbane and Brad James get up close and personal for the camera during Go Arty's fourth-birthday celebrations.**

IT is no wonder the creative souls at Go Arty have done so well in business.

Their innovative approach extended to their fourth-birthday celebrations on Friday night.

The fun wine and cheese-tasting evening at the Maroochydore-based gallery launched a week-long exhibition to celebrate the occasion and spread the company's creative message.
